

Contra Costa County Department of Agriculture

PESTICIDE SAFETY TRAINING for 2019 in Spanish

Diablo Valley Farm Center
Delta Road at 2nd Street, Knightsen, CA

Agricultural employers must provide a pesticide safety training **every year** for both their **Pesticide Handlers** and their **Fieldworkers** before they begin work for the season. The Contra Costa County Department of Agriculture is offering the following classes to help local growers meet these requirements as well as to promote agricultural safety in the county.

All classes are in Spanish and are free.
However, due to seating limitations, registration is required.

To register call the **Department of Agriculture:**
Concord office (925) 608-6600 or Knightsen office (925) 427-8610

Class for Pesticide Handlers

Pesticide Handlers include anyone who applies, mixes, loads, flags, or otherwise handles pesticides or application equipment containing residues

Wednesday, May 29
8 am -11am

Bring your
respirators*

*Employees who use respirators should bring them for a **maintenance demonstration** (this is not a fit test)

Classes for Field Workers

Field Workers are employees who work in fields or nurseries where pesticides have been applied but do not handle pesticides themselves. This would include those who prune, irrigate, thin, hand weed, harvest or any other cultural activity.

Thursday, June 6 8 am to 10 am

Thursday, July 18 8 am to 10 am

If your employee(s) cannot attend one of these scheduled classes, a certified commercial applicator (PCA, QAC, QAL) or Private Applicator or Qualified Instructor may legally provide the training.
